Schematics

Flow Diagrams and Tree Charts

Self-Evaluation:

1. Compare your answers with model answers and topper's answers.
2. Look at each element of your answer - introduction, main body and the conclusion - and find the areas of improvement.
3. Compare the way of presenting the answer - flow diagrams, schematics, etc..
4. Do not forget to appreciate your own answer.
5. Try to incorporate what you learn in your next set of answers.
